

**REMARKS**

The Official Action under *Ex parte Quayle* mailed June 18, 2003 has been received and its contents carefully noted. This response is filed within two months of the mailing date of the Official Action and therefore is believed to be timely without extension of time

The Applicant notes with appreciation the consideration of the Information Disclosure Statements filed on March 7, 2002; April 29, 2002; and February 6, 2003.

Claims 1-12 are pending in the present application and are in condition for allowance subject to correction of the drawing and specification informalities noted in the Official Action. In response, the specification has been amended to conform with the drawings. Specifically, reference numeral 349 has been corrected to 145 and a written description of reference numeral 3607A in Figure 6(B) has been added. No new matter is added and favorable consideration is requested.

Should the Examiner believe that anything further would be desirable to place this application in better condition for allowance, the Examiner is invited to contact the Applicants' undersigned attorney at the telephone number listed below.

Respectfully submitted,

---
